**PLEASE ATTACH A PICTURE OF YOURSELF**  
**IN FRONT OF THIS APP! THANK YOU!**

## Being a KuyAte Mentor:

By applying as a KuyAte (*older sibling in Tagalog*), you are agreeing to be a mentor that will guide their future ading (*younger sibling in Ilocano*) through their college career. KAP fulfills PACE's mission statement of offering a safe space for general members as well as cultivating unity and leadership potential. If given the opportunity to mentor an ading, please have an open heart/open mind throughout this process. If it may not seem to be the "best fit", remember that there is a reason why you were selected as a mentor. Through KAP, you have the ability to make a positive impact on your ading's college and PACE experience.
